

USA Swimming Membership Card Information

USA Swimming has decided to move away from the physical membership packet and offer an online digital card. The online card will provide athletes and non-athletes with easy accessibility if they need a copy of their card at any time, connect them to our partners and increase USA Swimming's brand awareness.

Athlete and non-athlete members will access their current membership card through Deck Pass. The membership card may be printed if desired or the Deck Pass app on a smart phone can be used by an athlete to prove membership at a meet. The app will show coach certification dates and may be used for deck access at meets and practices.
