WHAT'S A SWIM-A-THON?

The Swim-A-Thon is our team's largest fundraiser and a great way to motivate and train our swimmers. Team members raise money by asking for pledges or flat donations for swimming lengths of the pool.

WHEN IS THE SWIM-A-THON?

March 25-29

During the week of March 25th, swimmers will use their regular practice times to swim as many lengths as they can. Swimmers may attend extra practices this week at no cost to get more time in the pool for the Swim-A-Thon.

WHAT ARE OUR FUNDRAISING REQUIREMENTS?

The Fundraising Minimum for this event is \$75 per swimmer or \$125 per family

Each swimmer is required to participate in this fundraiser. If you do not wish to participate in the Swim-A-Thon, or cannot ask for pledges, you may opt out by paying the fundraising minimum

WHAT ARE WE RAISING MONEY FOR?

As a non-profit Jammin' Jellyfish Swim Club relies on member support to keep the Swim Team affordable for all families. Your fundraising helps keep registration fees reasonable, and pay for coaches and pool space.

WHAT ARE THE RULES?

Coach Nick has developed a precalculated set of practice drills that will provide a goal number of lengths for each practice day. A swimmer simply needs to complete the swim set designated for each day to determine how many lengths completed. A coach or parent will keep track of how far each lane of swimmers progresses in their set to calculate the number of the lengths* and present each swimmer with a length count at the end of their session.

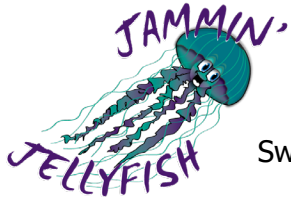

HOW DO WE COLLECT PLEDGES?

Swimmers may collect flat pledges or pledges per length. We have provided a pledge per length reference sheet, so donors can estimate their pledges. Any flat pledges may be collected prior to the Swim-A-Thon, or you may wait until the Swim-A-Thon is complete. After the Swim-A-Thon, collect all remaining pledges. Turn in all money collected to the treasurer, any board member or mail it to JJSC, P.O. Box 13301, Albany, NY 12212.

****Pledges are due by Friday , April 12th.**

Thanks in advance for your support!

***Lengths:** We emphasize that we are using the term "lengths" (not laps,) which means we count 1 length for each 25 yards, or 2 lengths for each lap (50 yard) of the pool.
