

The James River Aquatic Club would like to welcome everyone to the 2015 Swim Championship Meet. Included here are a few important details that everyone needs to know and follow. Please share this information with all people involved...especially young swimmers.

1. Yellow police tape indicates an area that is off-limits. **Please DO NOT enter these areas.**
2. Teams may bring their banners/signs to the NOVA pool by Tuesday and the NOVA staff will hang them. Please be sure to take your banner home after the meet ends.
3. All buildings and bathrooms are **off limits** to anyone who does not have a league pass.
4. For your convenience, porta-potties will be located through-out the venue for your convenience.
5. Anyone who is issued an official league badge is expected to wear the badge at all times while on the premises.
6. Satellite parking will be at Godwin High School on Pump Road, near the intersection of Ridgefield Parkway and Pump Road. Shuttle buses will run from 6:30am until the end of the meet each day.
7. Swimmer drop-off in the NOVA lot will be available all day, both days. **NO** driver should leave his or her car at any time in the drop-off area. **NO** pick-up at the pool is permitted. Please follow the parking attendant's directions.
8. All parking on the NOVA property is reserved for pass holders. Some handicapped spaces will be available for those visitors with DMV issued handicapped license plates or mirror tags.
9. Please notify all swimmers and parents that **NO PARKING** will be allowed in the lots serving the apartments across the street, the dentist's office next door to the pool facility and the convenience store down the street. Any cars parked illegally in these locations, will be towed.
10. Please cooperate with the volunteers who are serving as Meet Monitors inside the building. These workers will help with the flow of the meet and will prevent spectators from entering areas that are off-limits.
11. The NOVA Swim Shop will be open both days of the meet, offering an assortment of swim apparel. They will also have embroidery services available for towels and clothing.
12. Food service will be available on site both days.
13. We will have all volunteers (*see timer note below) check-in 30 minutes before each scheduled shift. Please see the Volunteer Information Booth, located with the t-shirt and heat sheet sales.
*All timers check-in with head timer at the swimmer exit doors, located at the back of the facility.
14. Each team should provide cell phone contact persons for your team to keep all members aware of meet progress. The main phone at NOVA will not be manned for this event.
