DOLPHINS ROCK!

Coach's Corner

Hi Dolphins,

It's hard to believe that this is the last newsletter for the 2021 Season, but here we are!

We have a busy last week coming up with a meet on Saturday against another tough opponent, the 4th of July, our last practice on Monday, and our last Meet/Banquet on Tuesday night. Our Tuesday night meet should be a blast, with Senior Swimmer recognition, Scholarship announcements, last swim announcements, and trophies for all. We will also recognize our 2021 Record Breakers (speaking of which, congratulations to Hannah O'Leary on the new 100 IM record. And once again, sorry Coach Demi). It should be a great way to cap off what has been an amazing season full of personal bests and first-time swims.

Time has really flown by, and I am so grateful that we were able to have a semi-normal season this year. It was a pleasure to see all of our Dolphin swimmers up at the pool, improving week by week and having fun in the process. A big thank you to all of our volunteers and the Board for making his season run smoothly and making sure that everything was taken care of from the beginning of the season to the end. Thank you to my fantastic Coaches who worked hard to make sure our swimmers were working hard, learning better ways to swim, and having a great time being a part of the Dolphins Swim Team. Last but certainly not least, thank you to the Dolphin Swimmers! The excitement and smiles that were apparent from our swimmers made coaching summer league a pleasure as always.

Best of luck on the remaining meets this year. Keep pushing hard and let's end the season with as many time improvements and bingos as possible! Take care, enjoy the rest of your summer, and can't wait to see you all again next year.

Hip Zoo, Rah Zoo Always,

Coach Tom

Operations Desk

Hello, Dolphins families!

It may seem like our season just started, but preparations are already underway for our final meet and celebration on July 6th. It is a virtual meet, so we have decided to integrate our end-of-season celebration into the meet. We will be recognizing swimmer accomplishments, announcing scholarship winners, and cheering for Dolphins who will be swimming their last Dolphins races that evening. Photographs will also be available for pickup. As the meet will take place in the evening, the concession stand will be prepared with some dinner options if your family is pressed for time after a long workday. We hope you are able to join us for this last meet and team celebration!

Since the Divisional Meet and Awards Ceremony are not usually combined, here is what that will look like and what we will need to make it a success!

Firstly, we will need everyone to volunteer for the Divisional meet. This will be a 1 shift meet, so please sign up for a spot so we can make the last meet a success. **Also, please remember that the swimmer signup deadline for the Divisional meet is this Sunday night at 9 pm!** This is a day earlier than usual since the meet comes up quickly on Tuesday.

Here is the timeline for Divisionals:

Call For Volunteers in Leadership Positions!

At the end of each season, those in leadership positions make decisions to either keep their places or move on to other things for the following year. This year, our super dedicated and immensely appreciated, Kim White (Concessions), and Tere Muñoz (Fundraising), have decided to pass these titles on to fresh faces.

If you, or someone you know on the Dolphins, would like to simultaneously fulfill all of the volunteer requirements for the season, AND secure a spot on the Board, please contact Heath Douglas at vicepresident@roundrockdolphins.org

WHO'S GOT DOLPHIN SPIRIT??

One of the great traditions of the Dolphins is team cheers! Although we are uncertain as to their origin, it has been a long time favorite of the Dolphin families! If they don't know it already, have your kid's practice the words for an after practice cheer or pre-meet pep talk! Tradition goes... *the louder the better!*

Bad Weather and Swim Practice

As we all know, here in Central Texas, the weather can be very unpredictable. And since swimming and bad weather do not mix; we may need to cancel practice. If practice is cancelled, we will post the cancellation on the website. We will also send out a push notification via the SwimTopia mobile app. Please check before heading to practice if the weather is bad.

DOLPHIN LANE LINES our swim team newsletter will be published weekly by Wednesday and a link sent via our Dolphin E-mail and it will be posted to our website.
