

**2021 Round Rock Dolphins Swim Team**  
**NEW Sponsorships Available!**

It may only be February, but our summer swim season will be here before we know it, and the Round Rock Dolphins Swim Team is looking for sponsors to help support our program! After cancelling our 2020 season due to Covid 19, we are excited to be back in 2021. Our season will look a little different, as we will be adhering to health & safety guidelines for Covid, but we are confident we can still work hard and have fun! This year, we will have about 230 swimmers on our team. Our swimmers range in age from 4 to 17, and from children learning to swim for the first time, all the way through to being competitive swimmers. Our program focuses on water safety, swimming skills, building confidence, teamwork, community and fun. This will be our 43rd year to run this program, and your support would be a true gift to the participants and the community to help it continue.

As in past seasons we will participate in dual meets as well as the divisional championship. Many of our swimmers then qualify for invitationals with other top swimmers across the Northwest Austin and Central Texas circuit. At our home meets, our sponsor banners will be prominently displayed, showing your support of the community

Dolphins is a non-profit 501(c)(3) organization, so all of your donations are 100% tax deductible. The sponsorship donations fund our operational budget, but also allow us to offer a scholarship program to help waive fees for those in need that would like to participate in this community organization.

We want this to be a win-win opportunity for our community, so please consider the levels of support and if you have other requests, contact me and I will do my best to make it possible! We understand that 2020 was a difficult year for everyone. If your company is not in a position to donate this year, we understand and hope you will keep us in mind for next season. If you are able to donate, we would truly appreciate your support!

I want to thank you for your kindness and generosity in considering helping this amazing program continue to be a success. Since 1977 the Dolphins have been swimming strong and proud, and we will continue to do our best to represent this community that we love!

Thanks again!
