Coach's Corner

Dolphins,

Summer is finally here (for most of us) and we are already looking forward to our second meet against the Tidal Waves this weekend. We had a great first meet and it was amazing to see all of the kids back in the water competing, but it was even better to hear the sounds of kids at the pool and the smiles on the faces of those at the meet. A huge thank you to everyone for continuing to adapt and make the meet run so smoothly. There is a lot going on at meets, especially for new families that are not familiar with summer swim, so if you have questions, please ask.

As we switch to summer practice, please remember to attend the practice that you signed up for or were designated for if you did not sign up for one. The number of swimmers at each practice is nearly identical, and we want to keep it that way to ensure that each swimmer gets the attention they deserve and that the lanes don't get too crowded. If a special situation comes up and a swimmer would like to change practices for a few days, please just ask.

For future meets - if you sign up for a meet and cannot attend, please let us know as soon as possible. You can email me or Bryce Stacer before the meet so we can make sure to remove your swimmer and adjust relays. Putting together a meet is a huge undertaking with hundreds of swimmers and making last-minute changes before the meet starts can be stressful and delay the meet. I understand that last-minute emergencies will happen from time to time but please let us know if your plans change ahead of time. If you are in doubt if you can attend due to possible conflicts, please do not sign your swimmer up for relays - it is much easier to scratch a swimmer from individual events than to reorder relays.

Remember that the goal of meets is also to do your best and support your teammates. It was so great to see the hard work and effort that many of our swimmers give at practice pay off this past weekend as we ended up with over 400-time improvements/first swims and almost 90 bingos (best times in all three events). The more time you put into practice the better and better you will get, so please make an effort to come as much as possible, and let's go for even more personal best times this coming weekend!

Happy Summer,

Coach Tom

Meet Director's Desk

What a great first meet! We overcame the weather, and we were able to get in every swim. I was able to hear happiness around the pool and all of this resulted in 90% of our swimmers having time improvements. So, congratulations to our swimmers and coaches for a fantastic first meet. I also need to thank our volunteers; it takes 107 volunteers per shift to put a meet on and without you we could not get every splash in. Lastly, I want to thank everyone who came to watch the meet. This Saturday we dealt with new protocols, weather, new computer system, new volunteers and leads, safety concerns and setup crew having to show up at 4:45. We worked together with the purpose of getting the kids into the pool, we accomplished that, and I appreciate that sentiment and that hard work.

The pits:

The pits moving into the parking lot created some safety issues that we were not able to overcome this week, so we are moving back into the pool. We will be using the deck space around the pirate ship and the southwest gate for Dolphin swimmer entrance. Please remember that masks are required while within the pool area. We are making one modification and that is swimmers that are walking to the ready bench no longer need to wear a mask. It is almost impossible to wear a mask and a swim cap. So, we will be asking pit parents to space out the swimmers as they walk them to the ready bench and between extra space and with the decreased time at the ready bench, that should keep all protocols consistent. As long as our swimmers tell their pit parents, they can go out to the concession stand and into the parking lot to see their parents. The younger kids will be placed along the fence area so parents will be able to talk to them easily. Please drop your swimmers at the southwest gate for check-in and once they have checked-in, they can exit out of that same gate. If your swimmer is staying with you, please have them inform their pit parent and remember they must return to the pit at first call for their event.

We will be putting the visiting team in the parking lot this week due to the grassy area being a bit swampy with all this rain. They will be set up where our team was last week.

Parking

We will be blocking off the entire parking lot again for spectators. One thing we learned last week is we need to have the ability for concessions to make runs during the meet. So please leave the driveway along the back of the parking lot open for concession runners and be aware that cars will be allowed to go through there from time to time. Please see the map for the exact pathway of cars.

Timeline

5:45 am – RR Swimmers to begin check-in.

6:15 am – Scratch Time

6:40 am – Ready Bench volunteers to the ready bench

6:40 am – Judges and Timers meeting

7:00 am – Meet Start.

Weather

If there is a delay or cancellation of the meet, we will use the notifications in the Swimtopia app to inform you. See you bright and early Saturday!

V.I.B. (Very Important Business!!!):

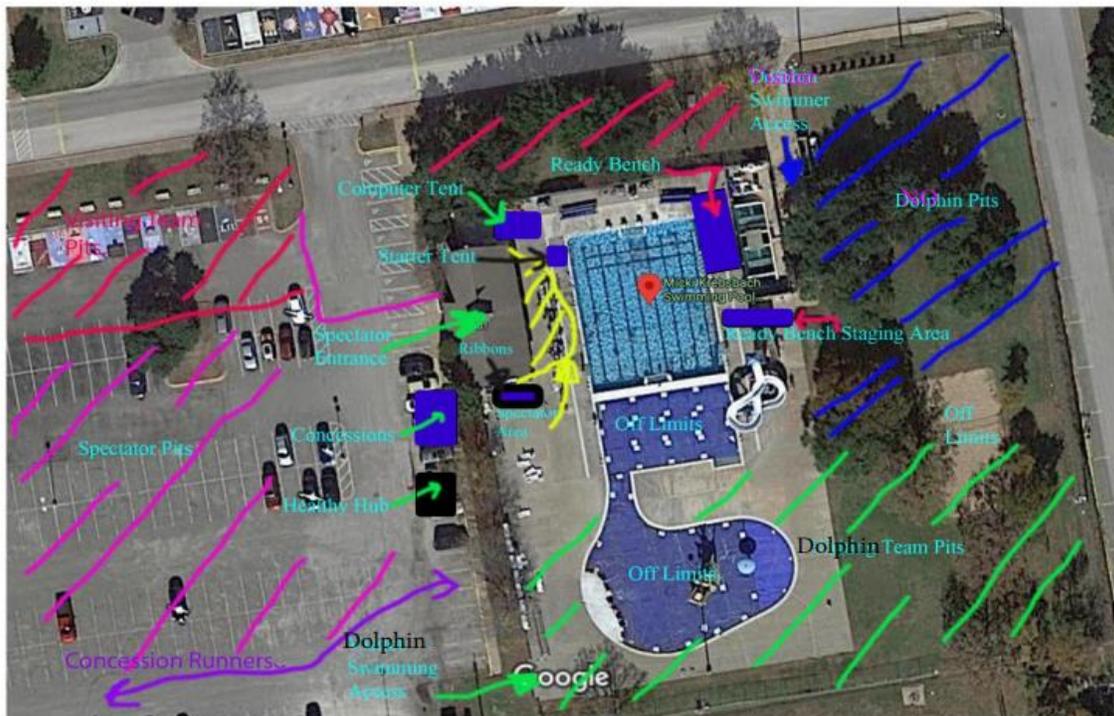

Our scratch time for home meets is 6:15 am. If you are not at the pool by 6:15 am your child will be scratched from the first relays. We never scratch individual events, so if you're having a rough morning, your child will still be able to swim in their individual events.

SCHOLARSHIPS:

We have entered that time of the season when our 17 year old swimmers have the opportunity to apply for scholarships awarded through generous donations. The two scholarships are:

1. The Coach Christy Dolphin Scholarship - \$1000
2. Micki Krebsbach Memorial Scholarship - \$1000

Any eligible swimmers wanting to apply will **soon** find links to the scholarship applications on the website. Please keep an eye out for these in the coming week, I will announce the deadlines **here** in the next Dolphin Lane Lines Newsletter.

WHO'S GOT DOLPHIN SPIRIT??

One of the great traditions of the Dolphins is team cheers! Although we are uncertain as to their origin, it has been a long time favorite of the Dolphin families! If they don't know it already, have your kid's practice the words for an after practice cheer or pre-meet pep talk! Tradition goes... *the louder the better!*

Bad Weather and Swim Practice

As we all know, here in Central Texas, the weather can be very unpredictable. And since swimming and bad weather do not mix; we may need to cancel practice. If practice is cancelled, we will post the cancellation on the website. We will also send out a push notification via the SwimTopia mobile app. Please check before heading to practice if the weather is bad.

DOLPHIN LANE LINES our swim team newsletter will be published weekly by Tuesday and a link sent via our Dolphin E-mail and it will be posted to our website.
