Name of Volunteer: _____

Name of Optional 2nd Volunteer: _____

Name of swimmer(s): _____

Age of swimmer(s): _____

E-mail contact checked & read regularly: _____

Phone number: _____ Text this number? yes___ no ___

Thank you in advance for your time and commitment to swim team. It takes many volunteers to run the swim meets and manage the team. We appreciate your time and support.

To ensure we have enough volunteers at least one member of each family must volunteer!

- Every family is expected to sign-up and work one half of every meet that your child swims. This includes parents of Junior Coaches.
- If you have a conflict with working a swim meet, questions or concerns please contact the Volunteer Chair. They will try to help with conflicts if possible. Communication is key.
- If your child is participating in a meet and you do not sign up for a volunteer position, you will be assigned a position based on need.
- If you do not show up for a shift you will be required to work two halves at the next home meet. You can sign up for these shifts online. The shifts will be determined on what is available on the sign up.

We are looking forward to an amazing season with you as a main part of the success. Again, thank you in advance for all your help and support.

I am confirming I have read and agree to the above Family Volunteer Requirements.
