Swim Meet Entries Info

Our meets are run with HY-TEK Meet Manager. We request that each team provide our Computer Team with a roster and entries files at least 36 hours prior to the scheduled meet (no later than 6pm on Tuesday for Wednesday evening meets, and 12pm on Friday for Saturday morning meets).

A Meet Program, annotated with any combine races, will be provided as soon as possible. In an effort to limit the time swimmers and their families are out in the sun, to keep the swimmers engaged in the meet, and to make sure that everyone who's entered gets the chance to swim, some events may be combined. The Meet Program will have boxes around the combined heats to prepare everyone for the flow of the meet. If a swimmer is marked with an "X" next to their entry time, they are an extra swimmer in that event (age-up, etc). Their resulting time is an official time, but their swim will not earn points for their respective team.

BDSC Home Pool Dual Meet Setup
