Who Are the Richmond Racers?

We are a "swim team for everyone". Richmond Racers have been promoting competitive swimming in partnership with the City of Richmond Parks and Recreation Department for over 25 years. Richmond Racers is an affordable, family-fun oriented year-round US Swim Club, with approximately 100 athletes of all ages, ethnicity, and ability. Racers is parent-run team, managed by a volunteer Parent Advisory Group, operating with the support of Enrichmond. We are proud to call the city's Swansboro Pool our home facility, and our operations are growing into other regional aquatic venues.
