All-Star Meet Qualifiers: The **1st place winner for individual and relay events** from each Division automatically qualifies for the All-Star Meet. At least 3 out of the 4 placing swimmers on relay team must swim at the All-Star Meet or the lane remains empty. After the final Division Championship Meet is finished, the three division meet results will be merged. A list of all qualifying swimmers and relay teams will be posted on the league web site on the All-Star Meet page. This information is sent out to all Team Reps and Head Coaches as soon as it is received. There is a very tight timeline between the divisionals and all-stars, so be patient.
