

Parking Information – June 6, 2015

Here is a bit of information as it relates to visiting our facility located at:

**Sweetwater Creek CDD Fitness Center and Competition Pool
1865 North Loop Pkwy in Palencia
St Augustine, FL 32095**

Please follow Palencia Club Drive (main Entrance) past the Palencia Elementary School until you reach the round-about. Follow the signs to North Loop Parkway/Fitness Center (far left road). The Sweetwater Fitness Center will be located on your left just past stop sign.

Our Piranhas Volunteer's will be on duty and can be identified with their orange vests. Upon making a left into the main parking lot you will see a drop off/pick up lane. Please unload your belongings such as chairs, coolers, etc. and then follow the directives of the volunteers in parking your car. Please do not leave your car unattended and walk your child in for check-in and set up as this area is a fire lane! You are welcome to leave belongings on the curb while you park your vehicle. Feel free to park in any unmarked open space. Should it be full, our parking volunteers will direct you to a spot in the overflow lot or on the street.

Please arrive early if you plan to park in the lot as there are only 65 parking spaces and all spaces will be first come first serve. Important to note, there are no special parking considerations given to volunteers, coaches or board members. Again, please arrive early if you expect to park in the main lot. The lot is available to both visiting and home team members.

New for this year is a grass overflow lot that can be accessed from the back left (South West corner) of the main lot. This area will accommodate approximately 20 additional spots. Once the overflow lot is full, you will be directed to park across the street as you turn left out of the lot. Should parking reach the guard shack, please use the turn around and proceed back past the pool entrance and park on your right (same side of the ride as the pool). This will continue thru the stop sign until volunteers direct you to additional space by the tennis courts if necessary.

While we are very proud of our 8 lane pool and amenities center we realize our parking situation is less than ideal. Please be patient with our volunteers as they are parents trying to support their kids just like you.
