The Woodcreek SeaWolves Aquatics Team is a nonprofit organization that provides competitive swimming opportunities for over 240 children, ages 4 – 18, in the Roseville community. The SeaWolves provide a recreational swim team for 240 children in Roseville, Rocklin, and Citrus Heights CA. This team welcomes swimmers of all abilities and with a range of disabilities. Many of our athletes stay committed to the sport for over ten years and use their experience to become collegiate athletes.

The SeaWolves swim in the Northern California Swim League and our home meets are held at the Roseville Aquatics Complex. We offer exposure to approximately 700 people (450 athletes) at each of our swim meets, and over 2,500 people (1,000) athletes) at our Championship meets.

The SeaWolves have enjoyed extraordinary success as a swim program. The SeaWolves success is the result of the dedication and hard work of our swimmers, outstanding coaching staff and parent volunteers. But, none of this would be possible without community support through generous donations from area businesses like yours. Without this support, we would be unable to provide the challenging and fun experience of competitive swimming for the children of the Roseville community.

**Your donation will directly benefit the team and the children of the Roseville community.** In return, your company will receive significant exposure through announcements made during dual home meets, prominent placement on our website which, during the months of May, June and July, received more than 13,000 hits, the opportunity electronically to display your business at SeaWolves home meets and to directly distribute business coupons or flyers to swimmers' parents. All donations are tax deductible for qualifying businesses and our non-profit tax ID is included on the donation agreement. Attached is a detailed listing of the available donation opportunities and benefits.

The SeaWolves appreciate your consideration of our request to become a sponsor. If you have any questions or would like to discuss the available opportunities, please contact me at [president@woodcreekseawolves.com](mailto:president@woodcreekseawolves.com)

Sincerely,

Dan Armstrong
