Swim Team Families,

We would like to extend a huge amount of thanks to all of you who helped make the swim team banquet such a great success this year. It was well organized before the event, we had lots of helping hands for set up and clean up and there were many delicious dishes brought in to share.

We hope that you continue with spring and summer swim team if your busy schedules allow and if not, we hope to see you all in the fall.

A successful swim team has talented swimmers and dedicated, helpful families and I think the KVV Stingrays were very successful this year!

Thanks,
