

# GREAT TECHNIQUE.

# GREAT TEAM.

At Chattahoochee Gold, stroke technique is our specialty. As much as we care about swimming, we care about your child's development out of the water. As a parent, you want your child to learn perseverance, teamwork, and leadership. We excel at fostering inner champions of all ages and abilities. Your child will learn from Gold coaches with decades of experience as swimmers, coaches, and parents.

We offer different programs for all ages and abilities. Our swimmers range from beginners to state and national champions. We provide an inclusive, friendly, and enthusiastic environment. **Ask about our Intro and Technique & Fitness groups. We offer once and twice per week classes, starting at \$65 per month.**

Gold is one of the most successful swim teams in the nation. We practice at the exceptional Mountain View Aquatic Center, with short and long courses. Attend one of our open evaluations to discuss the best program for your child and to review pricing and schedule.
