

# DIVE IN FOR DIABETES

## The Crocodile Mile

### **Crocodile Mile as a fundraiser**

Hey Croc Family! This year we are going to do the crocodile mile a bit differently. As a team, we have a chance to give back by participating in the crocodile mile as a fundraiser. We will be raising money for the Tennessee Children's Diabetes Camp in honor of our very own Winston Hovis. You can help by either making a flat donation for the mile or pledge an amount per lap! All ages are welcome to participate.

**What:** Dive in for Diabetes

**When:** July 18, 2017
