

Dear Swim and Dive Team Families,

We hope everyone is having a fun season. We've received many questions regarding coach's gifts. Thank you for all the wonderful things you've said about our coaches and the excitement about doing something special for them.

The coaches have been a very important part of our kid's summer. They know the mechanics of swimming/diving and can also communicate efficiently. They inspire our swimmers and teach them life/athletic skills and that these skills can be achieved at an early age. Coaches, especially those who coach a span of ages are fair, understanding, kind, involved and someone you can go to. Our coaches try to create a balance of fun, learning and competitiveness that meshes well with a summer swim program. Let's do something special for our coaches acknowledging all the time they spend during work hours and all the work they put in for our team during their personal time.

Our target is a \$10 donation for each of your team's coaches. We are asking our SWIM families to give a **SUGGESTED** donation of \$20.00 for our two Swim Coaches and DIVE families a **SUGGESTED** \$20.00 for our two Dive Coaches. If you have a different dollar amount that is more comfortable for your budget, please donate what you can. Remember that all donations will be divided equally per your kid's team coaches (Swim or Dive or Both).

Our goal is to purchase a coach's gift and give them cash for back-to-school, work, etc. Any suggestions would be welcome.

Also, if any of the kids would like to write a special note, draw a picture, etc. to share what they've learned or what was the most fun thing about being on the Frogs, we will include this with the coach's gift.
