

Hello!

It is hard to believe our swim season is wrapping up already! The Addison Frogs are super excited about hosting B Conference this year! As many of you already know the Addison Park District made the difficult decision to permanently close the Addison Community Pool at the close of 2017 swim season. So, this will be the very last swim meet this pool will ever see! For this reason, the conference planning committee has decided to make the theme of this years B Conference:

## SWIM FOR YOUR LIFE!

It is the end of the pool as we know it! The Zombie Apocalypse.

While all swimmers are encouraged to dress as Zombies for the parade, we do have a couple rules to make this fun for swimmers of all ages.

1. Since we do have swimmers as young as 5 years old as well as younger siblings we do ask that our Zombies are not too scary. Basically, the same rules that would apply to dressing for Halloween at school.
2. Make up is welcome but please do not get too graphic.
3. Absolutely **NO** weapons- real, toys or homemade
4. Be creative and have fun!
