The **Williamsburg Colony Swim Team** was established in the late 1980's in the Williamsburg Colony Subdivision in Katy, Texas by extremely dedicated parents. The purpose is to provide children ages 4-18, who live within our communities a summer activity packed full of fun, friends, and a little friendly competition. The swim team schedule is a grueling one. The swim meets begin the first of June; however, our children begin practicing in late April. Finally, the season ends with the Meet of Champions the last weekend of June.
