Sizing Chart

Our sizing chart is here to help guide you on finding the perfect fit.

ISlide does not have half sizes. In the case that you are a half size, always round up. For example, if you are a size 11.5, in ISlide slides you would be a size 12.

YOUTH

ISlide sizes 3 through 6 are true to fit to Youth sizes 3 through 6.

NOTE: ISlide sizes are based on a men's mold.

Women: If you are a whole size (like a 8, for example) we recommend going one size down (so ISlide size 7).

If you are a half size, like an 8.5, we recommend going down a size and a half (So ISlide size 7 as well).

Any questions don't hesitate to email us: info@islideusa.com
