

SHARK-A-THON

JUNE 7, 2022

Since 2004, the Cypress Mill Makos Swim Team has provided a fun, safe and affordable competitive swim club for kids in Northwest Houston. The team is in dire need of new Pool Lane Lines. The purpose of lane lines is to separate lanes in the pool and help swimmers not collide with each other during swim meets and practices! It is impossible for swimmers to swim without lane lines!

The kids will be working hard swimming laps to earn money for their swim team. Your support will help the Mako swimmers for many years to come! The Mako swimmers and families want to thank you in advance for your donation!

SWIMMER'S NAME: _____
