Suit Fitting

Different Strokes will be in the Woodbrooke lobby this Wednesday to sell our new team suit and other swim stuff. They will bring an approximate quantity of each suit size based on last year's roster. The suit will not have the Woodbrooke logo so you can take it home with you that day! If you can't make it to practice on Wednesday, visit the Team Handbook/ Apparel & Photos tab on our swimtopia website to contact Different Strokes directly.

Please take a minute to appreciate all of the hard work by the volunteers over the weekend to get the club ready for the summer!

Remember to come prepared for dryland or pool practice everyday!
