## Updates

### Time Trials

We are excited to announce that this years Time Trials will actually take place on Friday, May 5th during your swimmers scheduled practice time. There will be volunteer opportunities of that day for both timers and scribes.

### Volunteer Points

The success of our swim season depends on our parent volunteers. We offer a variety of opportunities both during the meets and through out the whole swim season. We ask returning families that know they are going to participate in divisional to be willing to release your dual meet spots (if needed) and replace them with divisional slots once they become available (will be posted later)

## Team Shirts and Spirit Wear

This year we are excited to announce the opening of our Spirit Shop! We will carry a variety of spirit items for Mom's Dad's, siblings, and of course, our swimmers! We will be offering a Pre Sale of these items on Monday, March 27th, prior to our Informational Meeting (LOE Clubhouse at 6:30pm).
