Due to that fact that we will be using a new method, "green screen" method\*, to take our individual pictures and team picture; we are asking for each parent to download & complete the order form from our website or Facebook page.

\* Green Screen Method - the photographer will be set up at the LOE Pool with camera and backdrop. Each swimmer will take a picture facing square to the camera (picture A - no cap or goggles), then there will be the individual pictures and individual sibling pictures. The photographer will groups siblings pictures and there are two poses for the individual pose (pictures B-E)

The photographer will then place the pictures in front of the two back grounds; Picture one for the individual pictures and picture two is for team.
