

2018 SPRING CREEK FOREST SWIM TEAM HANDBOOK

All team members and/or families are responsible for reading and abiding by the guidelines established in this handbook.

I. SWIM TEAM INFORMATION

a. SPRING CREEK FOREST SHARKS

We are pleased that you and your child(ren) have decided to participate in the 2018 Spring Creek Forest Sharks Swim Team. As a member of the Northwest Aquatic League (NWAL), we are able to provide children with the opportunity to experience competitive swimming during the summer. Our Swim Team's purpose is to promote competitive swimming, teamwork and good sportsmanship among the youth of our neighborhoods. Our goal is that every child will develop his/her skills to the best of their abilities; as such, each child is important to the team. Above all, participating should be fun for everyone!

b. ELIGIBILITY FOR SWIM TEAM

The SCF swim team is a community swim team and is open to swimmers from any neighborhood that has no swim team or a club swim team. Any resident in good standing with their neighborhood who is between 5 and 18 years of age as of May 31 and a novice swimmer is eligible to join the Swim Team. The NWAL defines a novice swimmer as any individual up to and including eighteen (18) years of age. The NWAL season for 2018 is May 8th through June 19th. The safety of each swimmer is paramount, so it is advisable that any child joining the Swim Team be "water safe". Stroke knowledge and skills are not critical, but an ability to function in the water is of the utmost importance.

c. SHARK PUPS

To be a Shark Pup, a child between 5 and 7 years of age must be able to swim a minimum of two lane widths of the pool, approximately 10' without stopping. Any child younger than 5 years must be water tested by the coach and approved. In-water instruction of basic strokes will take 2 to 3 weeks. **During this time a parent must be present and available for assistance.** At the conclusion of the in-water instruction, depending on the individual's ability, each child will be tested to determine his/her ability to swim on the team. **To become a Shark, a child must be able to swim the width of the deep end of the pool by the end of the second week of practice.** Should a child not pass this test and qualify as a Shark, further outside instruction will be necessary. The child is not a member of the team and cannot attend practices. A partial refund will be granted at this time. If a child qualifies and is approved by the coach at a later time during the season, he/she will immediately become a Shark swimmer and team member.

III. 2018 MEMBERSHIP FEES

| | |
|------------------|--|
| 15-18 YEARS OLD | \$40.00 – EACH SWIMMER |
| 14 YEARS & UNDER | \$125.00 – First Swimmer \$85.00 - Second Swimmer \$50 – Third Swimmer |

Maximum family swimmer fees of \$260.00 (does not include non-SCF resident fee)

NON-SCF RESIDENT FEE \$25.00 PER FAMILY

(This fee is passed directly on to the SCF HOA for use of the pool during SCF Sharks functions only)

Registration remains open after the start of the season to allow new residents and others an opportunity to join the team. However, to swim in the divisional meet at the end of the season, a swimmer must have competed in at least two dual meets (a dual meet is when two teams swim against each other). A child is also required to swim in at least two dual meets to qualify for a trophy at the end of the season.

REFUND POLICY

Refunds of registration fees will be given according to the following schedule:

| | |
|---|------|
| Up to and including the first day of practice | 100% |
| During the first week of practice | 75% |
| During the second week of practice | 50% |
| After the second week of practice | 0% |

Non-SCF Resident Fee and Late Fee are non-refundable.

Refunds will not be given if swimmer is removed from the team for disciplinary reasons.

*At registration, a volunteer deposit of \$250.00 will be **collected and held**. Volunteer deposit checks will be returned at the end of season Awards Banquets for families who complete their allotted assigned shifts.

Ic. PARENT PARTICIPATION

A large part of our team's success depends on you, the parents. It takes hundreds of volunteer hours to make our swim season run smoothly for our children. It is essential that every parent participate in this aspect of our team so that we can have a successful and fun season. For the 2018 season we will be requiring each family to work a total of 7 shifts (This consists of the Mock Meet, 5 Dual Meets shifts and 1 shift at the divisional swim meet). Only one shift per meet will count toward your total unless approved by our Volunteer coordinator. **If you think you will have difficulty meeting this requirement or will miss a meet for any reason, contact and discuss with our Volunteer Coordinator early in the season.** Parents that have only 15-18 year old swimmers are not required to volunteer, but are encouraged. The following is a list of the volunteer areas in need of help.

Underlined areas are required for home, away, and Divisional meets.

CONCESSIONS

Work at the concession stand during the practice meet and home meets. There are two shifts available at each home meet.

SETUP/CLEANUP

Help set up pool late Friday evening (9pm) and early Saturday morning before home meets (time determined by 1st Vice President). Friday night counts as 1 shift. To earn Saturday shift credit, you must work both Saturday morning setup and Saturday afternoon tear down.

TEAM PARENT

A team parent will be required to work the swimmer tents for swimmers under the age of 11. This duty involves sitting in the designated tents with the swimmers of a specific age group and assisting them to the ready bench when their events are called.

SCRIBE

Record times on swimmers cards and heat ribbons during meet.

READY BENCH

Organize and guide swimmers from the ready bench to the starting block.

SCORING/RIBBON WRITING

Enter times/scores for meets and entry forms, record place/heat ribbons.

TIMER

Serve on a team of three timers per lane using stopwatches to time event.

g. **SWIM TEAM PRACTICE**

Practices are held after school in May and in the mornings in June. Each swimmer is encouraged to attend all the practice sessions. Any conflicts on times should be directed in writing to the coaches, or via their email address at scfcoaches@gmail.com.

a. **2018 TENTATIVE PRACTICE SCHEDULE**

| Age Group | April – May Afternoon Practices | June (after school year) – Morning Practices |
|------------------------|--|---|
| Shark Pups (6 & Under) | 4:20 - 5:00 | TBD |
| 7 - 10 year olds | 5:00 – 5:45 | TBD |
| Middle School | 5:45 – 6:30 | TBD |
| High School | 3:45 – 4:30 | TBD |

- Exact starting dates for practices will depend on the coaches. Times and groupings are subject to change based on the final composition of our team and individual swimming abilities.
- Swimmers need to arrive for practice 10 minutes prior to start time to help the coaches make a quick transition for the next age group.
- Additional night practices will be offered after the school year ends for those who have conflicts with morning practice times. Coaches will offer private stroke instruction for a fee throughout the season. Once available, the coaches will maintain a sign up at the pool. Parents

are required to pay in advance for the private swim clinics directly to the coach providing the private instruction.

- Coach approval is required for changes in practice time or if a swimmer wishes to attend a second or evening practice.
- If a swimmer cannot be at a meet or will miss several practices due to illness, vacation or another conflict, you must email your coaches at scfcoaches@gmail.com and RSVP for the swim meet you will miss on our website www.scfsharks.org so that your swimmer can be “scratched” from the list of competitors. This is *EXTREMELY* important in assigning the swimmers to heats and relays so that the meet runs quickly and efficiently.

b. PRACTICE GUIDELINES

- Coaches will correct a swimmer’s behavior if a problem should arise. The swimmer may receive up to 3 warnings. After the third warning or the coach finds necessary, the swimmer will be removed from the pool and the parent will be notified.
- Swimmers are expected and encouraged to do their best at all times. Actual skill is not as critical as the swimmer’s willingness and enthusiasm.
- Parents are responsible for getting swimmers to and from practice on time. Attendance will be taken. If there is a time conflict, the coach should be notified.
- Practice sessions are **not** to be used for parent/coach discussions. Any parent wishing to talk with the coach may do so after that day’s practice has been completed. Sending the coaches an email is also an effective means of communication. For the afternoon practice schedule, plan to meet with the coach after 6:30pm. During the morning practice schedule, plan to meet with the coach after 11:45am. All coaches will be strictly engaged in instruction during regular practice times.
- There will be a Lost & Found basket for all items left behind at all practice and meets. This basket can be found in the swim team supply room. Please check for these items to be displayed at the home meets. All items not claimed by the end of the swim season will be donated to charity. Label every item you take to practice and swim meets.
- During swim meets and practices, no children are allowed in pool or baby pool.

c. SWIM MEET PROCEDURES

a. MEET ENTRIES:

- All team members will be entered in a maximum of five total events, with a maximum of three individual events at each meet. Coaches decide which events each swimmer will swim in order to score the most points for the team and to fulfill the needs of each child. Check with your child weekly about his/her scheduled events. If you should question a certain event, please discuss it with the coaches. Your questions not only provide answers to your concerns, but also

help to avoid errors in meet or stroke entries.

- On Thursday of meet week, each team will exchange information and the entries for the meets are seeded (separated into heats) for the Saturday competition. Swimmers not listed on the entry list exchanged on Thursday may not swim at the meet. On the morning of the meet, a “Scratch meeting” is held to adjust the heats for “no shows”, which is why it is **VITALLY important to check in when arriving at each meet!**

b. MEET CHECK-IN PROCEDURES:

A team area can be found at each meet where a table will be setup for check-in. Each swimmer will receive a slip of paper listing the events they are to swim at the meet (individual events and relays).

Please be sure to pick up this sheet by 7:30 AM!!!! This tells us your swimmer is present and we can get the meet started on time.

The slips that are not picked up are used at the Scratch Meeting. Should you arrive late, immediately inform the Team parent for your swimmer’s age group so that they may inform the Clerk of Course.

If a swimmer is NOT checked in by 7:30, there is NO guarantee that they can swim in the meet!

c. WHAT TO EXPECT AT THE MEETS:

Lots of kids, noise, heat, excitement, food and fun!!! Remember to bring something for your children to do while they wait for their events. Also bring something to sit on and of course, a towel or two. Food and drinks may be purchased at the meets or may be brought from home. The proceeds from the concession stand are a significant source of income for the team and the food is moderately priced and very good!

LABEL ALL PERSONAL ITEMS BROUGHT TO PRACTICE OR SWIM MEETS. ITEMS THAT ARE CORRECTLY LABELED FIND THEIR WAY HOME MUCH EASIER THAN THOSE UNMARKED.

IT IS VERY IMPORTANT THAT SWIMMERS STAY IN THE TEAM AREA. Swimmers are called to line up several events before they actually swim, so they need to be where they can hear the events and can be found by the Team Parents. Parents, please identify the team parent to your swimmer and encourage your child to listen closely and to follow their instructions. They are there to coordinate the team area for your child’s specific age group.

The SCF Sharks website has additional information for parents new to swim team meets. Meets can start off as a very scary type of thing, but everyone gets used to the “organized chaos” after a while. There are some helpful hints and tips under the “links“ tab on our website that will help you to be prepared.

Make your swimmer aware of these important Team Area Guidelines:

1. No running, wrestling, throwing things, or rowdy behavior.
2. STAY IN THE TEAM AREA. If you leave the area, let the Team Parent know and return as quickly as possible. Everyone gets hungry, has to go to the restroom or watch another team member swim. What we want to avoid is scratching a swimmer from an event because we cannot locate them.
3. It is the responsibility of the swimmer and the parent to make sure that the swimmer is at the ready bench at the appropriate time your event is called. The meet will not be delayed to locate a swimmer. Please stay with your swim team members and be alert and aware of each event that you are scheduled to swim.
4. NEVER LEAVE A MEET without notifying your Coaches. You may be leaving before your last event, especially if you are participating in the Freestyle relays.
5. The baby pool, playground and lifeguard stands are off limits to everyone during the swim meets at the SCF pool.
6. PLEASE CLEAN UP YOUR AREA AFTER THE MEET!!!

d. EVENTS DURING SWIM MEETS:

Swim meets are held on Saturdays. Warm-ups for the swimmers begin at 7:00 a.m. for the home meets and 7:30 for away meets. The meets start promptly at 8:30 a.m. and generally end by 2:00 p.m. As outlined above, it is important for swimmers to check in upon arrival in order to compete in the swim meet.

Each meet consists of 80 events. Each event may have more than one heat (group of swimmers). An event is made up of three parts; stroke, age and gender. A swimmer may enter up to five events per meet, with the maximum number of individual events limited to three. A relay event is not an individual event.

e. SCORING AND POINTS

In dual meets, points are awarded for individual events by the following point system:

| | |
|-----------------------------|----------|
| 1st PLACE | 7 points |
| 2nd PLACE | 5 points |
| 3rd PLACE | 4 points |
| 4th PLACE | 3 points |
| 5th PLACE | 2 points |
| 6th PLACE | 1 point |

In a relay event, points are only awarded to 1st and 2nd place teams.

| | |
|-----------------------------|----------|
| 1st PLACE | 7 points |
| 2nd PLACE | 3 points |

be as follows:

| | | | |
|-----------------------------|-----------|------------------------------|----------|
| 1st PLACE | 14 points | 7th PLACE | 6 points |
| 2nd PLACE | 12 points | 8th PLACE | 5 points |
| 3rd PLACE | 10 points | 9th PLACE | 4 points |
| 4th PLACE | 9 points | 10th PLACE | 3 points |
| 5th PLACE | 8 points | 11th PLACE | 2 points |
| 6th PLACE | 7 points | 12th PLACE | 1 point |

There will be seven teams at our divisional meet this year. Points awarded for relays, will be as follows:

| | | | |
|-----------------------------|-----------|-----------------------------|----------|
| 1st PLACE | 14 points | 4th PLACE | 5 points |
| 2nd PLACE | 10 points | 5th PLACE | 3 points |
| 3rd PLACE | 7 points | 6th PLACE | 1 point |

£ . **RIBBONS AND AWARDS**

MEET RIBBONS:

Each swimmer has the opportunity to score points and win several awards at each meet. “Place ribbons” are given to the top six swimmers for each event. Although place ribbons may vary from meet to meet, the colors are generally as follows:

| | | | |
|-----------------------------|-------|-----------------------------|--------|
| 1st Place | Blue | 4th Place | Purple |
| 2nd Place | Red | 5th Place | Green |
| 3rd Place | White | 6th Place | Yellow |

IMPROVEMENT RIBBONS

Ribbons are awarded to each swimmer who has improved any or all of his/her individual times at a meet. Ribbons are given out by the coaches after each meet. These ribbons are called “Super Shark” awards and are highly sought by swimmers who are looking to improve each week, even if they are not winning place ribbons.

AWARDS:

At the end of the season, there is an awards ceremony during which High Point and Runner-Up Trophies for each age group are awarded. High Point and Runner-Up are calculated by adding the points scored for individual events at each meet. Relay events are not considered in this calculation. Scores are based on points awarded to each child who has swum in at least two meets.

CLUBHOUSE:

The area inside the Clubhouse is strictly off-limits to all swimmers and parents, this area is reserved for concession workers and meet scorers. Restroom facilities are available for use by swimmers and parents adjacent to the clubhouse. Wet swimsuits make the Clubhouse floor slippery and unsafe and water is not compatible with the Clubhouse sofas and other furniture.

ϭII. EQUIPMENT

- a. **SWIM SUIT:** Team suits styles change every two years and are available from the Sharks preferred supplier at a discount. The team suit must be worn at all swim meets. Swimmers may wear any suit to practice.
- b. **CAPS:** Swim caps are mandatory for all female swimmers. Any male swimmer whose hair is long will be required to wear a swim cap as well. Swim caps will be worn during all practices and meets.
- c. **GOGGLES:** Goggles, tinted smoke or blue only, are recommended for outdoor use. If you purchase goggles, do not buy those with yellow or clear lenses. Those are for indoor pool use only.

ϭIII. DIVISIONAL MEET

The Divisional Meet is the culmination of all the dual meets, with all seven **Yellow Division 3** teams competing. A child must have swum in at least two dual meets to be eligible to compete at the divisional meet. Divisional team trophies for first, second and third places are awarded based on total team points scored at this meet. Points are earned for the first 12 places in each event, 6 places for relays. Special medals are awarded to the top six swimmers at this meet.

IE. “PONDEROSA INVITATIONAL” and “ALL-STAR” MEETS

These are post season meets, held one week after the Divisional Meet. They are two-day meets. They are open to all NWAL swimmers 18 years old and younger. The only qualification is that the swimmer must meet or better the posted time for the event they wish to enter. The 2018 times will be communicated via email. The swimmer’s qualifying time may be established at any swim meet during this season.

IE. TIME CONVERSIONS AND POOL RECORDS

The SCF Pool is not a standard 25 yard or 25 meter pool. Pool records are kept as the actual time swum in our pool. Team records are converted to a standard 25-yard time. Team records may be established at any meet.

| | |
|------------------|--|
| Time Conversions | SCF Pool Actual Time to Yard Time=SCF time x (0.9404) |
| | SCF Pool Actual Time to Meter Time=SCF Time x (1.0285) |
| | Yard Time to Meter Time=Yard Time x (1.11) |
| | Meter Time to Yard Time=Meter Time / (1.11) |

ϭI. DISQUALIFICATION

At some point during the season, a swimmer might be disqualified (DQ) during an event. This means that the swimmer has not started correctly or has not properly performed the stroke during the swim, on the turn, or at the finish. A DQ can be emotional, especially for a young swimmer. The Stroke and Turn Judge who DQ’d the swimmer will try to explain to the swimmer what was done incorrectly. All swimmers should be encouraged and take this as a learning experience. Even the best swimmers have

DQ's at some time or another. Some common errors leading to a DQ are included in the following situations:

RELAYS

- Leaving starting block before previous swimmer touches the wall
- Doing the wrong stroke
- Going in the water out of order

BREAST STROKE

- Two underwater strokes during start or turn
- Not touching with both hands simultaneously at the turn or finish

BUTTERFLY

- Flutter kick instead of Dolphin kick
- Not touching with both hands simultaneously at the turn or finish

BACK STROKE

- Turning over onto the stomach at final touch

If your swimmer does get disqualified at a meet, make certain they check with the coaching staff to get the issue corrected before the next meet.
