Inverness Forest vs. Timber Lane

This **Saturday, May 12th** is our Meet against Inverness Forest. Inverness Forest Pool is located at **21618 Greenbrook Drive, Houston, Texas 77073.**

The image below is the front of the clubhouse. The entrance to the pool is the gate to the left of the pool.

PARKING: There is not specific designated parking area. Remember this is residence and we ask that you treat this area as you wish your residence to be treated. **Please do not block trash cans, mail boxes, drive-ways and stop signs.** Police officers will patrol and issue tickets or tow

cars that are illegally parked in front of fire hydrants and so forth.

CHECK IN: Be there and check in **promptly at 7:00 AM.** Our Team warm up usually begins at 7:30 AM and the meet usually begins between 8:00 AM and 8:30 AM. The meet will last until it last. I would say it should end around 2:00 PM, but it could end sooner or later.

WHAT TO BRING: Bring a Canopy if you have one. Bring a chair or something to sit on like a blanket. Bring something to eat and

drink or money to buy concessions. It gets hot and you need to stay hydrated. Bring something to entertain you in between events. Sometimes there is a long wait between your swimmers event and you get board. Bring sunscreen, you don't want to get burned. Don't forget your swimmers Goggles, and Towel.

It is that time of year where the weather is very unpredictable. It

may be raining at 2:00 but might be cleared up by 5:00. The forecast might say 80% chance of rain and we won't get a drop. It's the norm out here.

If we are going to cancel a

practice we will post it on the website and we will send out an email. If it is just simply raining we will not cancel a practice, we are a swim team after all and can get wet. Now if it is thundering and lightening, we will cancel the practice. If it is too cold outside we will cancel the practice, but I'm sure that time has passed. I don't see a good cold front coming in any

time soon, but it's always possible.

So keep any eye out on the forecast and keep an eye out on your emails. **If it just raining, go to practice anyway.** If in doubt check your emails.

Hotel or Not to Hotel?

This year we have the great pleasure of going to a meet in Livingston Texas. The last time we went to Livingston many of us stayed in a Hotel. One of our swimmer's mother's Ms. Marlene Simmons graciously was able to talk to the hotel and get them to give us a group rate.

She has graciously decided to do this again. She is talking with The Holiday Inn On getting us a group discount again. They have agreed to give us 25 rooms for \$78 (total with tax). If we need more rooms then they have agreed to negotiate more. If you would like in on this deal then get with Me or Marlene and sign the list, or if you call the Holiday Inn directly you **MUST** reference Marlene Simmons.

One thing to consider is our Mid-Season Invitational. Your swimmer must qualify for this event, and the event is that following Sunday and Monday. So if you

do choose to Hotel in Livingston make sure you choose the correct number of nights according to if your swimmer qualifies for the Mid-Season Invitational.
