

It's super easy to access your child's events right from your smartphone!

Step 1 - Go to www.stuartheights.swim-team.us

Step 2 - Click on the menu button in the upper right corner and click Login. You'll use your email address and the password "welcome", unless you have changed your password.

Step 3 - Click the meet

Step 4 - Click the Meet Vision icon for each child. This will only populate after the meet is merged with the opposing team. This always takes place no later than 2pm the day of the meet.
