

Constitution of the Greater Knoxville Area Interclub Swimming Association, Inc.

Adopted by Membership - March 2016

Article 1 - Name

The name of the organization shall be The Greater Knoxville Area Interclub Swimming Association, Inc. and hereafter referred to as "GKAISA".

Article 2 - Purpose

The organization shall exist to regulate, control, and govern the activities of the member clubs in closed dual, triangular, and championship swimming competition in the Greater Knoxville Area.

Article 3 - Membership

3.1 GKAISA Membership

There shall be no specific requirements or prerequisites for GKAISA membership. Each new club application or request for consolidation of 2 or more member clubs shall be considered individually on the basis of the merits as presented. Such applications can be considered only at either the Spring (March) or Fall (Sept.-Oct.) regular meetings, as the first order of business. After a proper motion and a second accept, a 2/3 majority of those member clubs present and voting, by written ballot, shall be required for election to membership or consolidation.

3.2 GKAISA Membership Dues and Fees

Each club's \$50.00 GKAISA annual dues must be paid to the treasurer before its swimmers enter the water at the beginning of the season. It is understood that the full GKAISA annual dues may be a significant burden to smaller member teams and those teams may appeal to the GKAISA President for relief from part or all of the dues for a particular year.

All entry fees, scratch fees and fines shall be paid promptly when due to the Treasurer.

3.3 New Team Meet Cap

New GKAISA teams that enter at either League 5 or League 6 level will have no maximum number of team members. However, a maximum of 50 swimmers may participate in League 5 or League 6 meets when traveling. This cap will not apply at new team home meets. This 'Cap' will apply only during the first year of membership.

3.4 Inactive Status

A member club may request in writing at any time a one (1) year transfer to an inactive status, which may be renewed on written request for a second year. This request can be granted by the President, and is binding on the inactive club for the remaining calendar year. After (2) consecutive inactive seasons, the GKAISA membership of the inactive club is considered terminated, and any subsequent request for active status shall be considered on the same basis as a new club application for membership.

3.5 GKAISA Club Representative

By no later than June 15 of each year, each member club shall designate one of its adult members as its GKAISA Representative, and this person shall be totally and solely responsible for his club in conducting its affairs with GKAISA and the other member clubs. In the event the GKAISA Secretary has not received a valid team representative name, address, and telephone number by June 15, the delinquent team may not host nor participate in any GKAISA Interclub swim meets until the required information is provided and shall forfeit any scheduled meets prior to the time the required information is provided.

The GKAIISA Representative shall be solely responsible for his team with reference to team membership, conduct of swimmers and parents at all meets, and shall verify his team membership to GKAIISA or other club Representatives.

Article 4 - Meetings

4.1 Regular Meetings

Two regular meetings shall be scheduled by the President each calendar year, the first in the Spring (March) and the second in the Fall (Sept.-Oct.).

The location, date and time of these biannual business meetings are to be at the pleasure and direction of the President and each member club representative shall be notified by mail or other means at least two weeks prior to the meeting.

4.2 Scheduling Meeting

A Scheduling Meeting shall be organized by the President prior to the beginning of each season.

It is required that at least one representative of each club, being either a coach or the designated team representative, shall attend the Scheduling Meeting. The representatives of each league shall meet together to arrange their common schedules such that each team shall swim every other team in their league at least once during the season. At the conclusion of this scheduling activity each team representative shall sign the required document(s) indicating their agreement with the schedule. No team representative may leave the meeting until all members of their league have completed and signed off on their schedules.

Notification and announcement of special meetings must be made as above and business shall be limited specifically to that stated in the announcement.

A Quorum is defined as those present and voting at a regular biannual meeting or special meeting.

Anyone present at any meeting shall have the right to the floor to speak, but voting on any motion shall be limited to one (1) vote per member club cast by the GKAIISA Representative or their duly authorized substitute.

A simple majority of a quorum is required to pass any motion other than an application for membership or consolidation.

The President may not vote to break a tie vote, and a tied vote defeats the motion unless a vote is changed immediately after the tie motion is announced.

4.5 Requirement for Club Representatives to Attend Meetings

Each club is required to have their GKAIISA Representative or duly authorized substitute at all regular and special meetings.

Each club is required to have at least one coach attend a Coaches Meeting and the Meet Director attend a Meet Directors meeting to be held at the beginning of each season.

7.1 Eligibility to Compete

In any GKAIISA meet the swimmer and/or parents must be a bona fide member of the competing club. Employees who are not members of the club are not eligible to swim. Each member team determines its own membership rules and policies and the GKAIISA Representative verifies its team to GKAIISA. Under no circumstances are scholarships to be awarded by teams. No financial aid or preferential treatment may be given to swimmers or their families such as dues reduction not available to the general public.

Any meets held prior to submitting the required information shall be forfeited. If a new swimmer joins after the first meet or June 15, the GKAIISA release form must be completed before he/she is allowed to practice and the online club swimmer roster must be updated 1 day prior to swimming in any meet. Failure to update the online swimmer roster 1 day prior to the meet will result in the swimmer being deemed ineligible to swim in the meet.

7.3 Dual Membership

In the case of Dual Membership, the choice of which club to represent will be left to the individual swimmer but the choice once exercised in any meet, cannot be changed in that Interclub year. If one membership is resigned the swimmer cannot switch to another team if he swam for the team from which he resigned during that Interclub season.
