When the starting signal is given and one or more swimmers have obtained an unfair advantage, all swimmers shall be recalled at once by a second signal. All swimmers leaving their marks before the starting signal was given shall be charged with a false start, except as excused by the Starter or Referee. Any swimmer charged with a second false start in the same heat shall be disqualified and not permitted to swim in the event.

- 4.1.2. Backstroke Turn Rule;

After the swimmer's head has passed the backstroke flag, prior to the turn, the swimmer's upper shoulder may (but is not required to) rotate past the vertical toward the breast before the touch is completed provided such rotation is accompanied by an initiation of the turning action or continuation into the wall.

The initiation of the turning action shall be accomplished by a single-arm or simultaneous double-arm pull, or in the absence of such pulls, by a downward, underwater movement of the head.

After the initiation of the turning action, no additional arm pulls may be started; however, kicking and gliding actions are permitted.

The swimmer shall assume a position on the back before the feet leave the wall.

5. Clerk of Course

- 5.1. All events will be announced three times..
- 5.2. A swimmer should report to the Clerk of Course at least by the third call and remain there until the swimmers in the event move as a group to the blocks unless otherwise released at the discretion of the Clerk of Course. It is the responsibility of the club representative or coach to have the swimmer or relay team at the Clerk of Course in time. Failure to report to the Clerk of Course before all the swimmers for the heat have moved into the building will constitute a scratch from the event. The swimmer that misses his/her heat will not be allowed to swim in a heat other than the one designated for that swimmer. The Meet Referee may grant exceptions to this rule for specific cases, such as a swimmer/coach, back to back events, etc.
- 5.3. Teams are required to send a chaperon with each of all 10 and Under relay teams to facilitate getting them to the Clerk of Course. Chaperons might then be required to escort the children to the blocks.

- 6.3. All other protests will be considered by a Meet Jury to be appointed by the Meet Referee.
- 6.4. No protests based on inability of the swimmers or coaches to hear event calls will be accepted.

7. Scratches and No-Shows

- 7.1. A swimmer missing or scratching an event shall not be disqualified from participation in later events.
