

SWIM ATLANTA

YEAR-ROUND SWIM TEAM

Thank you for your interest in SwimAtlanta. We are currently registering swimmers for our new season that begins Monday, August 18th.

In order to be placed on one of our practice groups, it is required that swimmers be evaluated by one of our coaches. The evaluation is free and there is no obligation; each swimmer who can demonstrate all four strokes and is at least six years old is placed on a practice group based upon age and skill level.

For your convenience, we have scheduled the following dates and times for swim team evaluations, and you can choose to attend the best day for you:

Monday, June 16 th	5:00pm
Wednesday, June 18 th	5:00pm

Evaluations require swimmers to swim one lap of each stroke and are held at SwimAtlanta off of Sugarloaf Parkway in the Publix Kid's Village Shopping Center in between Cruse and Old Norcross roads (address listed below). The evaluation should take about thirty minutes or less, and afterwards it will provide you with the group your swimmer is placed on as well as information to inform you about the SwimAtlanta program and online registration. To give you an idea of our prices and practice times, we have included our practice schedule.

It is encouraged that you attend the short evaluation before our season begins August 18th, but if you cannot make the scheduled evaluation dates or times, please contact Scot Davis for alternative times at scot@swimatlanta.com. Due to the coaches' vacation time, please understand that families unable to be evaluated by July 28th will need to wait until after our season officially begins and attend one of the scheduled evaluations after the first week of practice.

Thanks again for your interest in SwimAtlanta, and we look forward to you being part of the SwimAtlanta family!
