## OVERVIEW

For those new to competitive swimming, Hampton Woods Swim Team participates in the Cobb Summer League. This organization provides us with a competition structured by age categories in boys' and girls' events, including both individual and relay races. The meets are operated according to Cobb County Summer League rules. Our division meets are held on Thursday evenings, June 2nd through June 30th.

**2016 Head Coach** – Olivia McEvelly

Coaches will make announcements at practices regarding any changes with respect to the meet schedule, line-ups, meet times, etc. We will be communicating with you through email and will also use our swim team Facebook page (so make sure to request to follow us).

### **ASK YOUR SWIMMER AFTER EACH PRACTICE FOR ANY NEW INFORMATION.**

All swimmers must make changes to their RSVP for meets if needed, by the MONDAY before the meet. Coaches will have the final word on the meet line-ups.

Regular attendance at practice is an extremely important part of building a successful team, and all swim team members are encouraged to practice regularly with the team. If a swimmer has a camp to attend or prior commitment, they may swim at an earlier or later time. Please let the coaches know if you will need to switch practice times.

Practices will only be cancelled if there is a storm and/or lightening in the area. Dry land practice may take the place of in-pool practice depending on the temperature. Likewise, practice will occur even with a little mist or rain. Please check Facebook and/or your email for updates!

### WEATHER

When lightning or thunder occurs, the pool and deck area around the pool is unsafe. The referee and coordinators only will determine how long to delay the meet. If the deadline arrives (11pm) before all events are finished, it will be considered a finished meet on whatever event is the last one swum. If the meet is called before event #46 is completed, the meet has to be re-scheduled. The meet will then be started on the next event where you left off and swim as before with regular heats until event #86.

### SWIMMERS

#### Arrival Time

Home Meets: Arrive by 4:45 p.m.

Away Meets: Arrive by 5:15 p.m.

***PLEASE NOTE: Prior to arriving to the meet, please ensure that your swimmer is properly marked up using the guidelines below:***

#### Meet Entries Reports and Marking Up Your Swimmer

1. The Individual Meet Entries Report (see Figure 1 – next page) will be distributed via email to parents by 1:00 pm on the day of the meet. When you receive it, please find your swimmer and his/her events (swimmers will be listed alphabetically). A swimmer may be entered into a maximum of three (3) individual events plus one (1) medley relay and one (1) freestyle relay. *Please print out your child/children's page(s) to bring to the meet!* We will have their events in our own documentation, but you will rely on this for the evening!
2. Using a black Sharpie...and BEFORE APPLYING ANY SUNSCREEN:
  - a. Write your swimmer's last name on his/her back right shoulder to help quickly identify each swimmer.
  - b. Referring to your swimmer's Individual Meet Entry Report, write out your swimmer's race number, heat, lane and race name (abbreviated) of all races on his/her right forearm facing them, so they can read it themselves. See Figure 2 on the next page!

**Bullpen for swimmers:** Upon arrival, please check your swimmer in at the bullpen. The bullpen will be marked and is right at the side of the pool. Towels can be laid down to make you comfortable for the entire time they are at the meet. Eating in the bullpen is okay. Parents of the swimmers can sit around the perimeter of the bullpen. Please make sure to continue to monitor your children while in the Bullpen.

#### During the Meet

All swimmers under the age of 13 are strongly urged to stay in the bullpen at all times, unless checked out by his/her parent(s). Bullpen volunteers are NOT responsible for swimmers not in the bullpen and are NOT responsible to locate your swimmer(s) around the pool deck, concession or parking lot areas. We ask that you make a copy of your swimmers' individual meet sheets and bring it to the race in order to help keep track of your child's races. It's important that you know your swimmer's events to ensure **he/she is in the bullpen no later than ten (10) races ahead of his/her scheduled event**. For instance, if your swimmer is swimming in event #26, they should be in the bullpen by the time event #16 is announced.

If a swimmer, who has already signed-in, gets sick or for any other reason decides not to swim his/her event(s), a parent and/or the swimmer needs to let the bullpen volunteers know ASAP.

Remember, the meet will start on time and the swimmers **must** be where we can find them. The Starter will not wait for our swimmers if they are late or cannot be found.

### VOLUNTEERS

**A parent is required to volunteer for at least one shift during a swim meet if you have a child swimming in that meet.**

All volunteers will check in at the table prior to heading to your station.

1<sup>st</sup> half volunteers: Please arrive no later than 5:30 (Concessions by 4pm, bullpen by 4:45pm,)

2<sup>nd</sup> half volunteers: Relieve your cohort by about 7:30-7:45, event 43 is the halfway point.

Volunteer job descriptions will be emailed prior to the meet for your specific task. All jobs are very easy and quick to learn!
