

Welcome to the 2015 Hampton Farms Hurricanes!

We have been working hard to make sure this swim season is another fun and successful one! In case you haven't noticed, our pool is about to be BEAUTIFUL! We will have a brand new (bigger) deck, completely resurfaced pool, new tiles AND NEW diving blocks! (much needed) We can't wait for it to all be complete, but wait is a must! We are perfectionist around here and we want it PERFECT! As luck would have it, our neighbors at Waterford Green Subdivision, were almost without a swim team...ENTER THE HURRICANES--- They, (WG), had no coordinator and we MIGHT need a temporary place to swim...SO we are so happy that Waterford Green will join forces with us this season assuring us a place to swim (if needed) enough swimmers to garner points in all events (individual and relay)and more parents to volunteer. They will additionally bring a few assistant coaches to help out with the added swimmers! It looks to be a very exciting season!

Swim Team will kick off with practices at the Waterford Green Pool for the 1st half of the season and then switch to the Hampton Farms pool for approximately the 2nd half, depending on renovation progress.

This opportunity will be a great chance to pair up with another outstanding team while also acquainting our swimmers with The Waterford Green swimmers, helping to nurture friendships that can extend to their middle school and high school years!

Can't wait for it all to start!
