Greetings from Houston SynchroStars!

We are a competitive artistic (synchronized) swim team representing the Houston area at local, regional, and national competitions. The primary mission of our team is to promote the sport of artistic swimming and a healthy lifestyle to diverse racial/ethnic groups in the Houston area and empower our athletes to achieve their personal goals both in and out of the water. The team has more than 46 swimmers ages 6 to 18 from the greater Houston area. As a 501(c)3 nonprofit organization, we are self-funding at the operational level, which means we pay for all of our facilities rental and coaching out of membership dues, while our swimmers' families fund their costumes, meet entries, and travel expenses. Our elite team also performs at private events to help raise funds to deflect the cost of traveling to meets.

As one of Texas' premier competitive synchro teams, we are always looking for ways to enhance our swimmers' opportunities to grow. This can mean bringing in outside coaches for extra training and choreography; sending our coaches and elite swimmers to workshops and conferences; renting additional pool space for added practices; and improving our systems, including maintaining and adding to our sound equipment. We invite your business or your family to become a sponsor of our team. Your donation of any size will help us to further our mission of supporting these young men and women athletes. Your donation can be earmarked for the purpose(s) you designate; or we can accept donations to our general fund. Either way, we will be sure to keep you apprised of how your contribution is used to help our swimmers reach their goals. Become a sponsor today!

Houston SynchroStars would be grateful if you would consider supporting us through either a monetary gift or an in-kind donation. We are happy to express our appreciation (e.g., name displayed on a banner at all meets, recognition at the annual summer show) and link to your business on our website and social media pages (unless you request that we not). Additionally, we can provide you with a tax-deductible receipt for your donation.

We thank you for your time and consideration.

Sincerely,

Houston SynchroStars
