Dear Individual/Corporate Sponsor:

The sport of swimming and diving allows young adults to develop physical and mental discipline as well as coordination, speed, strength and endurance. Swim & Dive requires substantial commitment on the part of the athlete as they must train extensively throughout the season to be competitive at meets. The Sequoyah High School Swim & Dive Team is a competitive program dedicated to excellence. We are focused on the complete development our student-athletes.

As our team grows, so do our needs and our budget. Therefore, the SHS Swim & Dive Team is seeking sponsorship for our team. Your donation to our program will go towards the purchase of meet fees, equipment, lane fee rental, food for team at meets, team t-shirts, and other team expenses.

It is because of the support of Corporate Sponsors like you that the SHS Swim & Dive Team is so successful in and out of the water. You are helping to build and mold our future leaders through your support. Monetary support for the program must come from Corporate Sponsors and other fund-raising efforts. You are crucial to the success of our team and program.
