Dear Community Partner,

The Lake Park Swim Team (aka – The Piranhas) was established in 2010. This program provides an excellent opportunity for our children in Lake Park and the surrounding neighborhoods to learn the importance of teamwork and being a part of a winning team. As with any team sport, financial support from the community plays an important role in our success. We want to provide the best opportunity for our youth to develop discipline, courage, teamwork, and friendships. We love to win, but more important, we encourage our swimmers to do their best, work hard and achieve their goals. **You** have opportunity to participate in a program that is fun, challenging and effective.

We are reaching out to local businesses for their financial support for the 2018 season. Attached is our sponsorship information. Thank you so much for your time and again, we truly appreciate your help and support.

### **About Us**

Our team is made up of 80+ swimmers ranging from 6 years – 18 years. We have daily practices as well as multiple weekly meets as scheduled by our Swim League, *The Greater Charlotte Swim League*. Our most proud moment...We won the Sportsmanship Award for 6 years in a row, a title that is chosen by the other teams of our division.

### **For Our Sponsors**

To help our sponsors take full advantage of their generous contributions, our organization has recently obtained a 501(c)3 charter, allowing you to take full benefit of your support. Upon your request, tax ID information will be gladly provided.

Sincerely,

Lake Park Swim Team Booster Club
