

**2018 VISTA DIABLO DOLPHINS SWIM TEAM**

**HARDSHIP APPLICATION**

Vista Diablo Dolphins Swim Team is a community and we recognize that summer recreational swim team is a considerable commitment of both time and money. When possible we can waive some of the requirements of a VDDST family through the Hardship Application Process.

In order for VDDST to consider your Hardship Application, you **must have completed your family's registration**. This includes registering online, paying all fees (registration fee, deposits, Cabana Club Fees), signing the 2018 waiver form, and signing up for work assignments (7 Dual meet work assignments, 2 invitational works assignments, League Meet, City Meet and a Volunteer Position). Even if you are applying for a hardship exception for any of these requirements, you have to complete the requirements as your child (ren) will not be allowed in the pool without a complete registration. For Financial Assistance (we do not offer assistance for Cabana Club Fees) we request that you send us in the full amount in the form of a check (or postdated check), which will not be cashed while your hardship application is pending.
