

2019 Laser Goal Times

Every Laser swimmer who competes for the Lake Marion Swim Team will receive a goal time pin. Pins will be awarded according to highest color level achieved. We believe that this award system will reward and promote individual achievement and promote the overall team goals of the Lake Marion Swim Team. At Lake Marion we want our swimmers to have fun, set goals, and demonstrate respect and sportsmanship towards their teammates and competitors at all times. *Swimmers will receive a goal time pin for the event in which they achieve the highest star level by the end of the summer.
