## SUMMER WALKING PROGRAM

- Scottsdale Swim Club and Walnut Acres Children's Center will be continuing the Summer Walking Program, making swim team more accessible for all families.
- Senior Squids (team members ages 12 and up) will pick up our younger swimmers from WACC, walk them to Scottsdale for practice, and then back to WACC after practice ends.
- If you have a child(ren) enrolled at Walnut Acres Children's Center for Summer 2026 and would like to take advantage of this opportunity, please reach out to our Team Director [sscteamdiretor@gmail.com](mailto:sscteamdiretor@gmail.com) for more details.
