- Count alternate entries towards relay entry limits ?
- Only accept entry times since  ?
- Ask if athlete is 'available' for meet, instead of 'attending'/'not attending' the meet. ?
- Allow parents/swimmers to select/suggest individual events ?
  - Confirm coach approval of first-time entries ?
- Allow parents/swimmers to indicate their availability for relays ?
  - Include options to indicate availability for early and late relays ?
  - Require an explanation if swimmer indicates they will not be available for a relay ?
  - Allow opting-out of swim-up relay entries ?
- Allow parents/swimmers to include additional notes to the coach ?
- Publish relay team information on website and in mobile app ?
- Require valid entry times (do not allow NT times) ?
- Require official entry times (do not use times from meets marked as "unofficial")
- Use lead-off relay leg times for seeding purposes ?
- Use times from other teams for seeding purposes ?
- Require an individual event entry for relay eligibility ?
- Allow athletes to enter multiple relays of the same stroke (e.g. more than one freestyle relay) ?
- Enable entry of relay alternates ?
- Enable exhibition individual entries ?
- Enable alternate individual entries ?
- Enable bonus individual entries ?
- Assume "undeclared" athletes will be participating in the meet ?
- Manually assign heats and lanes ?
- Rain out exception: Treat entries in this meet as "swims" for the purposes of participation requirements ?
