

# Team Registration for Parents

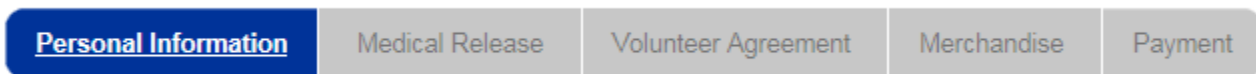

\*\*\*This year, our team has switched from a Team Unify website to a Swimtopia website. Please note that your old log-in information from the Team unify website will not work with this new website. All families will need to register like they are new families this year.

Go to our home page- [www.swimcudas.org](http://www.swimcudas.org). On this page, you will see the blue  button in the upper right hand corner. Click on the button to start registration.

## Registration Progress Bar

During the registration process, this progress bar will show you what you have completed and what is next. You can go back to a previous section at any time to make changes, but to move forward click the  button at the bottom of the section you just completed.

Please make sure to read through all of the information thoroughly. You will be agreeing to all of our policies and procedures by a binding electronic signature.

## Registration Steps

- Personal Information
- Medical Release
- Volunteer Agreement
- Merchandise
- Payment

## Personal Information

Enter the contact info for one or both parent/guardians. Please make sure that it is the person who has legal custody of the child. You may not register children who are family friends, nieces, nephews, etc unless you are the legal guardian. If both parents/guardians wish to sign-up for volunteer positions, they will need to have their names and email addresses listed here so that they are each given a separate log-in. If a grand-parent will do volunteer hours for the account, they will need to be added here as another parent/guardian so that they may have their own log-in linked to the family account.

## Parent/Guardian Information

**At least one parent/guardian registration is required.**

New accounts will be sent an email confirmation message with instructions to setup a password.

**At least one parent/guardian email address must be provided.**

Check the boxes to indicate which parent/guardians should receive team-wide emails.
