

TEAL RUN SWIM TEAM CALL FOR SPONSORS

Hello from the Teal Run Tidalwaves!

The Teal Run Tidalwaves are excited about the upcoming swim season and we are currently looking for successful companies like **yours** to partner with us.

The mission of the Teal Run Tidalwaves has been to provide a summer swim program for neighborhood kids in the areas surrounding Teal Run and Fresno. As a summertime family tradition, we participate in the Southwest Houston Recreational Swim League with over 100 kids and 50+ active parent volunteers. Kids participating in Teal Run Tidalwaves (TRTW) have fun, make friendships, stay in shape through the summer and learn skills that will serve them the rest of their lives.

TRTW is a great opportunity for the kids to engage in healthy, well-supervised competition and it also provides a great venue for young families to come together and participate in meets and other social events. Our emerging swimmers program continues to grow as we reach out to local children who are non-swimmers and develop their strokes until they are ultimately able to participate in our meets.

Fundraising and sponsorships are an integral part of the Tidalwaves success. These funds help to offset the rising costs of insurance, coaches and pool time and assist in keeping our registration fees affordable to all families.

We welcome **you** to join the Tidalwaves this year and take an active role in supporting local kids while receiving valuable advertising for your business. There is a potential to reach 300+ people at every home meet, in addition to uncountable patrons who drive past our meets regularly. TRTW sends out emails to our team year round and we look forward to announcing **your company** as one of our team sponsors. We appreciate your sponsorship at any level. If you would like to personalize your sponsorship, please contact our sponsor coordinator at sponsors@tealruntidalwaves.org.

Thank you in advance for your support!

On behalf of our Swimmers,

Krystalynn Kiser

President, Teal Run Tidalwaves Swim Team
832-439-7891
