

Hello swim parents.

As we approach championship swimming season it is time to think about racing/tech/fast suits. Whatever you choose to call them, these suits require an investment of time (to actually put them on) and money. The purchase of a new tech suit is completely optional and not required in any way. Our team receives a discount on these suits when bought through Jen Michaels of B and R Pools.

Traditionally the school has contributed \$50 towards the purchase of each suit. However, we are not sure if that contribution is going to occur this year. We would like to give the school an estimate on how many suits are being purchased as they are making the decision about if/how much they are able to contribute. Please let me know if you think you will be purchasing a new tech suit for your swimmer this year. This is not a commitment - it just helps us make an estimate for the school.

Attached are lists with options for TYR, Speedo and Arena. The quoted prices do not include any contribution by the school. So if the school is able to contribute then the price will be lower by whatever the contribution amount is.

We will not be having a "try on" session at the pool this year. Suits can be ordered directly through Jen Michaels. You can reach out to her to discuss your order and arrange a time for your swimmer to try on suits at her store if needed.

PREFERRED CONTACT METHOD FOR JEN IS EMAIL.

Jennifer Michaels
B&R Pools and Swim Shop (South)
466 Castle Shannon Blvd.
