

Hello All,

A few additional points regarding the meet tomorrow:

1. There is no mention of a livestream link so my assumption is the meet will not be available for online viewing. If I hear otherwise I will let you know.
2. The bus will depart at 4:20. Please make sure the swimmers and divers are back at school by 4:10 at the latest.
3. We will have a locker room available but Baldwin has requested our swimmers arrive in their suits so as to have fewer people in the locker room at any one time
4. The team will not warm down as a group tomorrow, so the swimmers and divers can change out of their suits as soon as they complete their last events, keeping in mind that we can only have 12 people in the locker room at one time.
5. The swimmers and divers will be required to wear a mask at all times except when they are in the pool. Please make sure they have a Ziploc bag for their mask (unless you want them putting their mask on the dirty deck when they're not using it because that's what they tend to do)
6. I anticipate the bus will return to the high school sometime between 9-9:30

Please feel free to reach out if you have any additional questions.

Go Panthers!
