

2021-2022 WPIAL ADDENDUM on CUT TIMES

2021-2022 WPIAL Swimming Championship Qualifying Standards - “Automatic” and “Second” Cut Times

- Swimmers and Relays that achieve the “Automatic” time (as outlined on page 2 and below) will be able to enter that event in the WPIAL Championship Meet and will be guaranteed a spot in the event (if they choose to enter).
- Individual swimmers and relays that make the “Second” cut time (original WPIAL standard cut time from 2020-2021 season and listed below) are still able and encouraged to enter that event as outlined in the championship memo (see p. 4 item #12), but swimmers are not guaranteed a spot in the event.
- Heats for each event will be filled with the “Automatic” times first and then all remaining positions will be filled with the next fastest “Second” cut time entries submitted. Heats will be filled to the maximum amount allowed by the HOST facility. This could be the top 16, 24, or 32 depending on the venue’s restrictions in February of 2022.
- All qualifying information will be communicated in January 2022 via the WPIAL Swimming & Diving Championship Memo (referenced in page 2, Item #5).
- This revision does not affect current qualifying standards for Diving.

EVENT	BOYS AAA “Automatic”	BOYS AAA “Second”	GIRLS AAA “Automatic”	GIRLS AAA “Second”
