**All** swimmers other than the Pre Competitive group will be registered as competitive with Swim Alberta. This does not mean your child must compete, but they are strongly encouraged to swim in at least 1 or 2 meets a year.

All fees may be paid in full at the time of registration or be paid in installments by post dated cheques. All cheques for fees as well as fundraising bond cheques must be given to the treasurer within the first week of swimming or your child will be asked to not swim until the cheques are delivered.

If applying to Kidsport or Jumpstart for funding, please let the treasurer know at registration. As well, please use the Olds Rapids address for the application, not the Olds Aquatic center.

Only swimmers registered in the **Technical** and **Performance** groups are eligible to swim on Tuesdays and Thursdays. Your child must be physically able to keep up with the Technical and Performance swimmers to be in those groups. They may be asked to move to a different group if they are unable to keep up. There are no coaches available for the younger swimmers on those days and the practices are at an intense level. There will be no exceptions to this rule, and your child must be at the appropriate level to register in the Technical and Performance groups. If you are questioning which group to register your swimmer in, an evaluation can be arranged with our coaching staff.

**There will be a 5% discount if session fees are paid in full at registration.**

**Multi Child Discount:** 1st child full price, 2nd, 3rd children 5% off.
