All swimmers other than pre-competitive will be registered as competitive with Swim Alberta. This does not mean your child must compete but they are encouraged to swim in as many meets as possible.

All fees may be paid in full at time of registration or in installments by post dated cheques. All cheques for fees as well as fundraising bond cheques must be given to the treasurer by the end of try it week or your child will not be able to swim until payment is received.

If applying to Kid Sport or Jumpstart please let the treasurer know at the time of registration. As well, you need to use the Olds Rapids address for the application, not the Olds Aquatic center.

Only swimmers registered in the Technical or Multi-Sport are eligible to swim on Tuesday/Thursday. Your child must be physically able to keep up or the coaches will move them into an appropriate group.

There will be a 5% discount if session fees are paid in full at time of registration.

Volunteer Information

For each child registered with the swim club there will be a requirement of 2 volunteer shifts (Sept. – Apr.) or 3 volunteer shifts (Sept. – June). There will be a \$600.00 volunteer bond cheque required for each swimmer. We rely on the fundraising to keep our club going and to keep fees affordable so we need people to fulfill the requirements.
