

# 2017 Woodcliffe Wahoos Swim Team Sponsorship

The Woodcliffe Wahoos Swim Team is an active and successful summer swim program that represents approximately 1000 homes in the Woodcliffe Park and Vistas of Woodcliffe communities.

Comprised of approximately 230 swimmers aged 4-18, the team was formed in 2003 and currently competes in Division B (the second-highest division) of the historic 90-team Montgomery County Swim League (MCSL). Additionally, the team participates in the Seneca B Swim League, comprised of six nearby Upper Montgomery County neighborhood swim teams.

We are offering sponsorship opportunities to businesses and individuals for the 2017 season to offset costs of a new team record board and other activities.

In addition to considerable exposure on-site during swim meets and team functions, sponsors will be featured on the team Web site, [thewahoos.com](http://thewahoos.com). This site is integral to the operation of the swim team and offers sponsors additional exposure beyond the core swim season months of June and July. Swim team registration begins April 1, at which time parents and swimmers will begin to interact with [thewahoos.com](http://thewahoos.com) web site for registration, news, ordering spirit wear, signing up for meets and volunteering. Practices begin in late May. Meets, pep rallies and swim team functions begin in early June and extend through late July.
