for details and registration.

Step Swimmers:

Is your child ready and willing to learn to swim but cannot swim the length of the pool?

- We offer a developmental swim program called “Step Swimmers” run by coaches and volunteers. Step-swimmers will receive 30 minutes of daily instruction Monday through Friday (either 11:00 - 11:30 a.m. or 11:30 a.m. - noon) except on fun game days (which is typically the day after a swim meet). This program runs from June 14th through July 20th.

Meets:

For the 2021 swim season, Grafton Dolphins Swim Team will be participating in the Rappahannock Swim League (RSL) via **virtual meets**. Safety of our swimmers and families is our utmost concern. **Virtual meets** allow us to have our swim team season while fulfilling the expectations of safety outlined by Virginia's current guidelines on social distancing.

What is a virtual meet?

- Swimmers will swim and have times recorded in their home pool, located at 711 Jett Street in Fredericksburg
- Each week, two RSL teams will compare times of their swimmers to determine the places of the swimmers for that week's virtual meet.
- Dates are set by the league identifying when swimmer times are due each week and when the results will be posted.
